***** Here are our “Sunday in the Garden” event dates for 2026: 7/5, 7/12, 7/19, 7/26, 8/2. These are all “Private Events”, available to our current or past customers, Facebook followers and Group Members, as well as those enrolled in our “Rewards Program”; plus their own personal guests.**

***** Anyone who does not fall into one of these categories, can obtain a guest invite by contacting us prior to the event; once registered, all events are available to you.**

***** For 2026, we have standardized our event times for all five; we **open at Noon**, and will be available for our guests to **visit up through 3:30 PM**, with the gardens **closing at 4:00 PM** each Sunday.**

***** Soon we will be publishing details for each individual event, as while the daylily bloom cycle will progress week to week, we will have distinct discount opportunities available only at each specific Sunday Event.**
