  - **50% Off** any available daylily cultivar, **with a value up to \$25 DF**; limit of one selection per season.
  - **10% Off** any of our current year or the previous three years of our introductions, SF or DF. Select and combine up to 5 cultivars and **receive 15% Off or 20% Off 6 or more.**
- Qualify for **“Bonus Plants” for each \$50 in sales**, after discounts are applied, and excludes shipping, taxes, and other fees; Rewards Members can select from a list of standard plants, or premium plants.
- Seedling/Landscape Clumps are available to Members for **\$15 each**, any quantity. (These are unique, one of a kind daylily plants, from our own hybridizing program. These are made available to our customers for landscaping, where named cultivars might not be suitable for that location; hardy plants with good color and form, at an attractive price. These are not intended for release to the commercial market, and **registration is prohibited without permission.**)
  - **10% Off** the regular price of any items in our Gift Shoppe.

Because of the high standard we require of the plants we sell, as well as changes in availability throughout the season, we reserve the right to restrict the sale and quantities of any plant we grow, for any reason and without prior notice, regardless of our catalog listing; however we strive to be as accurate as possible to avoid any disappointment.
